Subject: Recommendation letter

I am writing this letter to recommended Mr. Bongumusa Musa Mbuli for the admission purpose in your esteemed organization.

I am glad to have known Bongumusa Musa Mbuli for the whole duration of the Software Engineering course in Advance School of IT (ASIT) affiliated with Aptech, India. I have been mentor for his Semester VI, V and IV along with his IT projects.

I say this from what I have observed while teaching Bongumusa Musa Mbuli that he is filled with traits like hard – working, innovation and other professional characters. While doing his course I was specifically inspired by his dedication and sincerity.

So, I finally can recommend Bongumusa Musa Mbuli confidently for admission.

Sincerely,

Sunil K. Sharma,

IT Faculty,

Deptt. Of Software Engineering
